THE TATLER

1953

SECURITY
Through eons of time man has sought *security*—for himself, his family, his community, and his country. This quest for *security*, molded into the first man created on earth, has had a rebirth with each succeeding generation. A *security* we have, as Americans, in greater abundance than any nation on earth, and cherish as priceless—yet this *security* has had its price—a price Americans have been paying since the first brave settler set foot on this continent, to be followed by future generations of raw-boned pioneers, pushing back the frontiers of a vast unsettled wilderness.
Thus far in life you have been given *security*—as an infant by your mother's care—later by the warmth of your father's home, your church, your school, your neighbors, and now the *security* of a good start on life's journey, gained from a liberal education, in creditable schools, in a free land.
Now as you are being graduated, standing on a threshold of a journey through life, the *security* granted you in the past becomes one you must earn and protect for yourself, your family, and fellow Americans. The scroll of American history records for us the courageous men who have given their lives to preserve this *security*, and the countless others who devoted their lives to develop a system of free enterprize, so you—their descendants—might have the right to seek and earn further *security*.
The industries in your community contribute immeasurably to this treasure of American *security*. Perhaps one day some of you may, by your endeavors and association with one of these industries, contribute to the greatness of American *security* for all.

The F. W. Olin

Vocational School

DEDICATION

It is to the memory of the late Franklin W. Olin that we wish to dedicate our 1953 Tatler. Because of Mr. Olin's characteristic ability to recognize the needs of the present, as well as for his prophetic insight into the future, he made it possible through the Olin Foundation to provide a thorough industrial and vocational education to the girls and boys of Alton by granting funds for the construction of the vocational school which bears his name.

As the first year of the school's operation draws to a close we have had opportunity to observe the advantages of an enlarged and enriched curriculum for the students of Alton High and the values obtained by adults in attendance at evening sessions.

The F. W. Olin Vocational School stands today as a symbol of Mr. Olin's strong faith in the youth of our community and the memory of this remarkable man will serve as a challenge to us for many years to come.

The building begins to show its size and form. This was an interesting development in the new building and many a gaze was directed toward it by students in study halls from the academic building.

A Great Man's Dream Becomes Reality

Mr. John M. Olin is addressing the students and visitors who have met to participate in the cornerstone laying program in the high school auditorium on November 8, 1951.

An important part of the cornerstone laying program. A metal box containing the following items is placed in the cornerstone: a resolution of Olin Foundation authorizing the building of the school, a copy of the announcement of the gift, copy of the editorial concerning F. W. Olin from the Alton Evening Telegraph, a list of the names of the students expressing their thanks to Mr. Olin for the gift, a list of the Directors of the Foundation, a copy of the program of the laying of the cornerstone, a list of the contractors, a copy of the invitation for the laying of the cornerstone, Alton Public School Directory, and a copy of the National Apprenticeship Program.

Vocational-Industrial Education Comes To Alton High

Members of the Board of Education, administrative staff, and architect make an inspection of the new building in an early phase of its construction.

At the speaker's stand is Mr. James O. Wynn of New York City, a director of the Olin Foundation, Inc. This is the occasion of the dedication program at the dedication of the Olin Vocational Building, November 6, 1952.

Board of Education

DR. R. B. LYNN, *President*

We are grateful to the public spirited men who comprise our Board of Education for their time and efforts in our behalf. Dr. R. B. Lynn, a prominent and successful surgeon is president, having served in that capacity for a time under the Alton District No. 151. In July of 1952, when the new Alton Community Unit District No. 11 went into operation Dr. Lynn was again elected as president.

Mr. G. L. Davis, Purchasing Agent of the Owens-Illinois Glass Company, is Secretary of the Board. Mr. C. R. Freeman, Administrator of Alton Memorial Hospital as a member of the Board is Director of Personnel. Mr. R. L. Goulding, President of E. H. Goulding Co. is Director of Building and Grounds. Dr. C. J. Hemphill, dentist, is Director of Health and Safety. Mr. J. J. Middleton, attorney, is Director of Curriculum. Mr. E. P. Waterhouse, Purchasing Agent, Alton Box Board Co. is Director of Public Relations.

This group of capable, conscientious, and hard working men not only gives a considerable amount of their energy and time to the formulation of policies needed for the present efficient operation of the Alton school system but are also engaged in anticipating the future educational needs of the youth of the community. This was clearly demonstrated by the presentation of their building program to the voters of the school district early in February and receiving from them a decisive and encouraging endorsement of all their proposals.

We are justifiably proud of these men who are working steadily toward the progressive advancement of the educational system of Alton and who are so strongly motivated in their efforts for our own improvement and for those who will graduate from Alton High in the years which lie ahead.

A MEETING OF THE BOARD OF EDUCATION: From left to right: Dr. C. J. Hemphill, Mr. C. R. Freeman, Mr. G. L. Davis, Superintendent J. B. Johnson, Dr. R. B. Lynn, Mr. R. L. Goulding, Mr. J. J. Middleton, and Mr. E. P. Waterhouse.

Folmer Photo

As we near the time of graduation from Alton Senior High School and the end of our school days in the Alton system, believe it or not, we are beginning to have our reflective moments. And as we pause to think of what the schools of our home town have meant to us, we naturally think of the fun we have had - - even though we might have complained of a "tough" assignment now and then. We realize, too, in our more serious moods the many educational opportunities and advantages we have had which were denied our grand parents, and even our parents. Consequently, it is in this connection that we think of the "persons" who were able to recognize our educational needs and who worked so diligently toward their attainment.

When we consider individuals our thoughts turn to Mr. Johnson whom all of us have known and respected during his years as Superintendent. We have had the opportunity to observe that through Mr. Johnson's administration, advancements have been made in every field of school activity, and with the intelligent and progressive support of competent men on the Board of Education, and an energetic administrative staff great strides have been taken toward making the Alton school system and now the new community unit district, the best in the State of Illinois. Because of Mr. Johnson's dynamic leadership and pleasing personality, his firm grasp of the knowledge of school operation and management, and his sincere, conscientious, and hard-working efforts toward the completion of a job well-done, we have no doubt that the Alton Unit District is destined to become an outstanding school system in the Nation. We are pleased to join the many hundreds who have graduated during Mr. Johnson's superintendency in expressing our deepest gratitude for his contribution toward the educational advancement of our schools in general and toward our own, as students, in particular.

MR. JOHNSON MEETS WITH ASSISTANTS AND SUPERVISORS
Left to right: Donald Keil, Horace Wollerman, Lloyd D. Norman, Elise C. Kohlmann, Raymond Ready, Macy Pruitt, P. L. Woods, J. B. Johnson, E. M. Leamon, C. R. Wright, Bernice Williamson, Louise Anthony, Guy Duker, Jane Henry, Loyd Carson.

ADMINISTRATIVE STAFF AND SUPERVISORY PERSONNEL

The Administrative Staff of the Alton Community Unit School District is composed of competent men and women who are important factors in the efficient and successful operation of the schools.

Mr. Keil is the school engineer; Mr. Wollerman is Director of Audio-Visual Education; Mr. Norman, Director of Counseling and Guidance; Mrs. Kohlmann, Supervising Nurse; Mr. Ready, Administrative Assistant in charge of Elementary Curriculum; Mr. Pruitt, Administrative Assistant in charge of Junior and Senior High Curriculum; Mr. Woods, Chief Custodian; Mr. Johnson, Superintendent of Schools; Mr. Wright, Administrative Assistant in charge of Vocational Education; Miss Williamson, Director of Art; Miss Anthony, Director of Libraries; Mr. Duker, Director of Music; Miss Henry, Director of Home Economics and Lunch Service; and Mr. Carson, Rural Supervisor.

PRINCIPAL

After serving as Assistant Principal of Alton High for the past two years, Mr. Davis was elevated to the Principalship when Mr. Pruitt became an administrative assistant to Superintendent J. B. Johnson. In connection with his duties in his former position, we had opportunity to know Mr. Davis and to realize that the school would continue to be in strong and capable hands in his new position.

As Principal of Alton High, Mr. Davis has demonstrated capable administrative leadership and a thorough knowledge of the many facets connected with the operation of a large high school. Since this is the first year of the operation of the F. W. Olin Vocational School, Mr. Davis has had the additional responsibility of coordinating the vocational and industrial curriculum into the academic and the arrangements of student class schedules. In extra curricular activities, Mr. Davis has given encouragement to the development of student initiative and responsibility. Stern when the occasion demands it but kindly, tolerant, and considerate in his relationships with students and teachers are familiar characteristics of Mr. Davis.

DEANS

Mr. Jackson has opportunity to meet and to know nearly all the boys in school since, in his position as Dean of Boys, all absences are cleared through his office. During the course of a school year many problems of boys, of one kind or another, are ironed out by Mr. Jackson whose dominating motive is to do the right and fair thing for the boys and the school. As Director of Athletics, Mr. Jackson is kept quite busy in the administration of the athletic programs of the school.

Miss Teter is responsible for the clearing of all girls' absences from school. In her counseling capacity, Miss Teter is deeply concerned with the solution of any girls' problems during the year. Miss Teter has given splendid service in the program of educational guidance as liason between college representatives who call at the school and the students who are planning to enter college. Miss Teter is sponsor of a strong service organization in the school - - the Girls' Council.

COUNSELING

MR. JUREZIC, MR. HARLAN,
MR. FITZGIBBON

Mr. Fitzgibbon, Mr. Jureziz, and Mr. Harlan have been engaged this year in carrying out an extended counseling and guidance program in the high school. Their services have proved an invaluable aid to many students in the solution of their educational and vocational problems. Because of their earnest and conscientious efforts, the students are better qualified to know their own abilities and limitations and to work in the direction for which they are suited best. The construction of counseling offices last summer have aided the counselors in the conduct of conferences with individual students with a minimum of interruptions.

REGISTRAR

In her postition as Registrar Mrs. Taylor is responsible for the filing of student grades in the permanent files and the sending of student transcripts to colleges, universities, and employers who demand them of job applicants. She is also in charge of the business office and is responsible for its smooth-running operation in the performance of many school duties throughout the year. Mrs. Taylor is friendly and helpful and has been instrumental in giving the same spirit to the atmosphere of the office itself.

OFFICE STAFF

Any day in the week the high school office is one of the busiest places in the school. In the mornings, teachers check the bulletin boards and their mail boxes, and students enter for one purpose or another. All through the day the office staff is engaged in serving those who enter and in attending their office duties to which they have been assigned. We are grateful to them for their cooperation and helpfulness.

Seated at desk in foreground, Mrs. Loretta Edwards; Mrs. Doris Taylor at typewriter; Mrs. Ruth Yindrak Starbuck at mimeograph; Mrs. Dolores Roos at switchboard.

MARY SIDWELL

STAFF OF HIGH SCHOOL CAFETERIA

The successful operation of the high school cafeteria is due in no small part to the efficient leadership and supervision of Miss Mary Sidwell in cooperation with Miss Jane Henry who is Director of Home Economics and Lunch Service in the Alton school system. Meal times may be irregular sometimes at our own homes - - but they are never so in the high school cafeteria. The theatrical expression "The show must go on" may be paraphrased "The lunch must go on!" Thanks to Miss Sidwell and her corp of efficient assistants, the lunch schedule is maintained and good food is provided five days in the week.

This group of women is devoted to the task of preparing and serving lunch for the students of both the East Junior and Senior High Schools. Needless to say huge quantities of food are prepared daily. Because of skillful management and organization the serving proceeds like clock-work and because the food is well-prepared and sold to the students and teachers at nominal cost the high school cafeteria has won the approval of all.

CUSTODIANS

For "trouble shooting" and keeping the school clean, neat, and orderly the custodial staff plays an important part in the operation of the school. "Housekeeping" from day to day provides a steady grind of activities - - all of which are responsible for the attractive appearance of the Alton High School building.

SENIOR CLASS OFFICERS

The election of Senior Class officers is a tradition at Alton High School. They are elected by both January and June classes and their main purpose is to serve as the link between student body and faculty. The principal and the deans depend on these officers to help them with many matters concerning the students. One of the chief functions of the class presidents is to receive the cane and chain in the commencement program.

the ACTIVITIES

Drama

The Dramatic Club

Miss Rutledge is making-up Jeannette Sutherland.

The Dramatic Club was founded in 1923 for the purpose of creating and expressing interest in drama and its functions.

Tryouts for membership are held once a semester and admittance to the club is based upon the person's interpretation of roles, his enunciation, and diction.

One three-act play is presented each year by the Dramatic Club. This is an opportunity for the members to experience the various jobs necessary to put a play into production. Members help with lighting, props, make-up and prompting. These are a few of the minor things, necessary as well as acting, that make a play a success. Miss Mildred Rutledge is the club sponsor.

National Thespian Society

The Thespian Society is a National organization started in Alton Senior High in 1932. The Alton troupe number is 126. The Society is an honorary one and only those who have done the required dramatic work are eligible for membership.

New members are inducted twice yearly at a banquet at which time the Best Thespian Award is announced.

Each semester the Thespian Society sponsors a one-act play given as an assembly program. A Thespian selects the cast and directs the play.

The troupe also holds a faculty candy sale to raise money for its treasury.

Miss Mildred Rutledge is troupe sponsor.

Mr. Ray Murfin, Band Director

Throughout the year the Alton High School Band, under the direction of Mr. Ray Murfin, participates in many school activities. A football game wouldn't be complete without the band's half-time show. Then there is the pep band seen at the basketball games.

The band always presents two outstanding concerts a year, in addition to appearances before student assemblies. They also participate in graduation exercises in January and June.

The band elects officers each year. They are as follows: Dave Musgraves, President; Elizabeth Smith, Vice-President; Roger Hull Secretary; Betty Hendrix, Treasurer.

A. H. S. CHORUS

Alton High's "good will ambassadors" deserve the utmost in praise from the students, faculty, and school board. In the past year, the members of our choruses have combined, carrying an important phase of the public relations of A.H.S. and the Alton Public School System. Singing for different clubs, business organizations, and at dinners, they have carried the name of our alma mater to a good portion of the population of Alton. The constant demand of public organization keeps Mrs. Rue, the choir, and mixed ensemble constantly practicing for performances.

The choir and mixed ensemble are made up of advanced members of the chorus. These two groups carry on the Alton High music tradition, by providing entertainment for many civic organizations.

Some of the major performances of the 1952-53 season were: 5th Annual Christmas Concert, G.A.A.C. dinner, Community Chest Dinner, and the Olin Industry Super X Emblem Dinner. Many, many other minor performances were given throughout the year.

A SUMMARY OF THE 1952-53 SEASON

The chorus began its season of major performances way back on December 18, with a beautiful showing in the 5th Annual Christmas Concert. The burden of this program was carried by the choir, who produced beautiful tone qualities and well sustained pitch.

A special music program was presented for the mid-term graduation on January 23 members of the graduation class participated. The next important program was the G.A.A.C. dinner on February 17. This program showed the versatility of the chorus in presenting a varied program. The extremes of the beautiful "Deep River" which affords marvelous tonal qualities and the rousing gaiety of the boys' number, "There is Nothin' Like a Dame".

The chorus next presented a program at the Community Chest dinner, February 25, and the Olin Industries Super X dinner on March 11, both of these programs presented the same high quality of musical enjoyment for the audience.

The Spring Chorus Festival, which included all senior high chorus members and the junior highs, combined sacred, spiritual, and the light style of music into another beautiful program which was presented Tuesday, March 17.

As their final performance a choir composed entirely of graduating seniors presented the musical portion of the program for the June graduation.

Student Council

The Student Council is Alton High's form of student government. Representatives from each home room meet once a week to discuss problems and improvements for students and school. It is the duty of each representative to collect ideas for discussion from the members of his home room. The S.C.'s services include: handling the concessions at football games, selling pennants and stickers, sponsoring the homecoming and etc.

Each February the Junior Class nominates candidates for president and vice president. The entire student body enters into a colorful campaign and election. The 1952-53 officers are: Buddy Hook, president, Tom Marquis and Betty Hendrix, vice presidents.

Nancy Titchenal and Joyce Isaacs sz'l "Tiny Tims" to the students.

Girls' Council

The Girls' Council is a service organization comprised of 25 Junior and Senior girls.

Future Homemakers of America

Superintendent Johnson does the spade work for the Rose Planting Ceremony in connection with the celebration of F.H.A. Week.

The Future Homemakers of America is a club whose main purpose is to further girls' interests in home economics, and for the improvement in homes and family living. The club meets every first and third Monday of the month. The national organization was organized in 1936, while the club started at Alton High School in 1948.

The officers for 1952-53 are: President, Marianne Paul; Vice-President, Mary Ann Truitt; Secretary, Patience Scales; Treasurer, Ruth Graves. The chapter mother is Mrs. Howard Truitt. The advisor of the club is Miss Irene Liebig.

First Row: Bob Tarrant, John Adney, John Eales, Bill Coleman, Russell Stotlar, Alden Colston, Harold Neece, Joe Cannon, Lloyd Johnson.

Future Farmers of America

Membership in the Future Farmers of America is based upon enrollment in a vocational Agriculture Class and the successful operation of a project connected with some phase of agriculture.

There are four degrees in the F.F.A., namely, Greenhand Farmer, Chapter Farmer, State Farmer, and American Farmer.

The F.F.A. enters in all livestock and grain contests in the Alton section. It also enters in parliamentary procedure, soil judging, and public speaking contests held yearly.

The motto of the F.F.A. is:

"Learning to do,
Doing to learn
Earning to live
Living to save."

Mr. Paul Glaeser is sponsor of the F.F.A.

FURTURE NURSES OF AMERICA

The F.N.A. consists of girls interested in nursing as a profession. The purpose of this club is to learn the fundamentals and opportunities in the fields of nursing.

Our F.N.A. is very active. The girls help each year with the T. B. program and assist in the clinic. This year the girls have heard student nurses and many other interesting speakers tell about hospital life and procedures.

Regular meetings are held on the first and third Tuesday of the month. Mrs. Frances Mutz, the school nurse, is the sponsor of this organization.

Top Group:

ROW 1: Joyce Baker, Martha Lenastus, Carmen Fitzhugh, Beverly Landuss, Judy Winkler.

TIMES typist, Ruth Turnbull, is the key to neatly getting the copy ready for the Adams Printing Co., however when its time to work on the mailing list she is assisted by typists, Nancy Leonard and Delores Laurciella. At extreme left is feature writer, Judy Edsall, and at extreme right Retha Wells, exchange editor, who trades school publications with 30 schools. Her assistants are Myrna Ries and Alice Colman.

Feature writers and photographer Don Hayes (kneeling) try to dope out something new and different for each issue. Standing are: Jack Myers, Sally Walker, Shirley Christopher, and Mrs. Irma Allen (sponsor), while Jack Hall, Pat Lawson, Alice Daniel, and Gertye Campbell are seated. (Marjorie Cochran absent.)

ALTON HIGH TIMES

Linda Aldridge, Managing Editor of the TIMES and the sponsor, Mrs. Irma Allen, frequently discuss problems that the TIMES has in common with larger newspapers.

Circulation Manager Donna March instructs a few of the staff members before they start out on their rounds to distribute and sell the TIMES. Right to left are: Willie Hearn, Bill Porter, Earl Hazelwonder, Dick Strebel, Alice Daniel, Carol Goings, Marianne Paul, and Jo Hurley.

Like practically every business organization, the TIMES has the problem of making financial ends meet. Linda Lingenfelter, reporter, seems interested in what Business Manager Barbara Nave and Advertising Manager Jim Heil are doing, but Sports Writers, Harry Gustine and Sherry Heaton, and Reporter Jim Cox have other matters to discuss.

ALTON HIGH TIMES, a bi-weekly publication, gives the students of AHS a full coverage of what is going on in the school. The TIMES carries not only the news but offers reader interest through features, editorials, and a full coverage on sports. In eight of the TIMES sixteen issues, the SCHOLASTIC ROTO is a pictorial supplement.

The TIMES, a self-supporting, non-profit organization is financed through advertisers, whom staff members solicit at the first of the semesters, and through single copy sales, not only at Alton High but also at East and West Juniors.

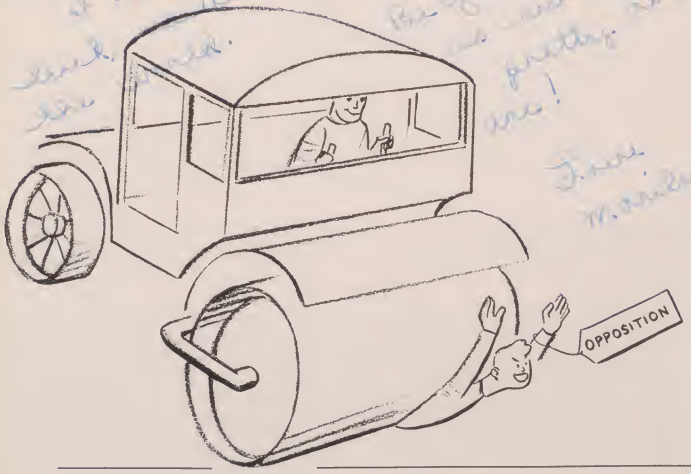

Outside money-making projects for the year include the calling in of athletic scores to the St. Louis daily papers by Harry Gustine, Charles Mathers, and Orville Brown. A committee, headed by Ruth Turnbull has reported to the LADIES' HOME JOURNAL what Alton High's reaction is to dating, teen-age driving, parental attitudes and manners. This information compiled with data from other schools is featured on the Sub-Deb page of the magazine.

Some first semester staff members check last minute make-up details before the TIMES goes to press. Left to right are: Frank Campbell, Kay Travis, (make-up editor,) Barbara Thompson, Shirley Zimmer (associate editor), Mrs. Irma Allen (sponsor), Linda Aldridge (editor) and Donna Newt.

While waiting for the TIMES to come off the press, staff members relax and visit. Left to right are: Orville Brown, (photographer), Ted Hrabak, Jim Dunaway, Dale Dick, Ken Prewitt, Charles Mathers, and Charles Connour, (reporters).

McKINLEY

Alton, who won 6 to 0, made the game's only T. D. in the second quarter. Quarterback Jim Eisenreich threw a flat pass to fullback Sherry Heaton who sprinted 47 yards to pay-dirt.

SOUTHWEST

In the second non-conference game, Coach Studley sent his entire 33 man squad into the lineup. Six Birds, Hook, Wilson, Neudecker, Heaton, Davis, and Musgraves scored a touchdown apiece.

GRANITE CITY

At Granite City four Redbirds tallied a T. D. apiece. The balanced scoring featured Heaton, Wilson, Long, and Hook with a touchdown being picked up in each quarter.

MT. VERNON

Every play was a thrill from the opening minute to the final second of the Alton, Mt. Vernon game. It was the Rams game, 14 to 13, until the final 15 seconds when Mt. Vernon's big Jim Stokes was ordered out of the game on a costly foul that gave Alton the ball. Alton went on to win the game in the final two seconds. Jim Eisenreich, Alton quarterback, threw a long pass to end Alex Christian to set up the T. D. in the last two seconds.

SEASON SUMMARY

COLLINSVILLE

Collinsville's Kahoks came to Alton all fired up and left with Alton's first loss of the year. Sherry carried the ball for Alton's only score in the third quarter. Alton did well in every department except the scoring one.

EDWARDSVILLE

Edwardsville was losing the ball game up to the final minutes of the game when they got the ball and drove to a touchdown with time running out.

BELLEVILLE

Alton lost their third straight game when Belleville put the freeze on the ball to protect their 13 to 7 lead. Heaton scored the Alton only touchdown while Bellanger kicked the extra point.

EAST ST. LOUIS

East St. Louis came to Alton and almost had a scare thrown into them by the Alton Redbirds. The high scoring East Side team was held to 12 points by the Alton defense. This was the lowest score East Side had been held to up to this time.

WOOD RIVER

The Wood River game was played on a Saturday afternoon in place of the annual Thanksgiving Day game. Alton could not move the ball at all. Wood River scored first and threatened to score again before the game was over. Alton scored in the latter part of the game to keep it from being a Wood River victory.

The season record for the Redbirds was four wins, four losses and one tie. We could not have had a more even season.

Left: Hey! I've got it.

BASKETBALL SEASON

The Alton Redbirds started the season out with wins over Hillsboro and Edwardsville. They then lost to Roxana in the Madison County Tournament. Collinsville was beaten by Alton for one of their few losses of the season. Mt. Vernon defeated the Redbirds by 21 points; Alton, then went on a winning streak, won their next three games from Belleville, Granite City, and Lawrenceville. They were then beaten by Carbondale and East St. Louis, but they came back to take Gillespie by one point.

Edwardsville defeated Alton, but the boys returned to beat McKinley and Wood River. Roxana, Collinsville, Granite City, Belleville, and East St. Louis all conquered the Red Birds before Mt. Carmel was defeated. Alton then lost to Roxana and Edwardsville before winning their last two games from Wood River and Western.

In the Regional Alton defeated Roxana in their first game 61-54 but lost to Edwardsville 67-41.

Cross Country

The Cross Country Team of the past year did very well. The boys on this team won seven straight firsts before coming in sixth in the state meet. The Alton boys scored a record low point mark in the Southwestern High School Athletic Conference Cross Country Meet just before they went to the State Meet.

LES HALE
Winner of five of the six meets in the season and fourth place in the State Meet.

2nd Row: John Cushman, Roland Banks, Dick Phelps, Ted Hrabak, Harry Gustine.

The Rifle Club

Again this year Alton High has entered a Rifle Team in the Greater St. Louis Rifle League because of lack of local competition. Alton has been holding its own over the years and hopes to do so again this year. It is a relatively unknown sport in the school because all of the matches are away. The team is sponsored by Mr. Leo M. Wools who has spent much time and effort to help make it a good club.

Girls' Physical Education

You first.

Girls' physical education classes not only offers different sports and games, but also teaches a girl good sportsmanship and proper care and development of the body. The girls are ably instructed by Miss Foster and Miss Halbruegge.

Crossed again. The ball's over there!

That one didn't go over.

A tossed ball.

During the winter months indoor games, such as volleyball, basketball, table tennis, shuffleboard, and badminton, are played. Many of the sports learned during school years will be played after the girls are out of school.

A physical education class on the march from the dressing rooms to play a game of soft ball.

Thanks To Our Advertisers

For our advertisers and friends:

Again this year, we of the Tatler Staff wish to express our deepest appreciation for your willing and helpful cooperation in advertising in the 1953 Tatler.

While, to many people, the yearbook is only a collection of pictures of school events, to us of the staff it is something more — it is a responsible business enterprise. Needless to say, it costs very much to produce this book, but with your cooperation, we have been able to produce another yearbook which will pass through many hands, for many years, serving not only as a reminder of school, but will also indicate your name, which signifies your good will to the school and an invitation to everyone to patronize your establishment.

Again to our advertisers, "Thanks a million."

The 1953 Tatler Staff

Dear Kay, I've been a wonderful classmate. I hope you'll keep in touch. Let's get together sometime and have a class reunion. We can have a grand old time. Best of luck to you in typing class. Hope we can have a class together next year and get to know each other a little better. Lots of luck to a swell girl

SECURITY
Through eons of time man has sought *security*—for himself, his family, his community, and his country. This quest for *security*, molded into the first man created on earth, has had a rebirth with each succeeding generation. A *security* we have, as Americans, in greater abundance than any nation on earth, and cherish as priceless—yet this *security* has had its price—a price Americans have been paying since the first brave settler set foot on this continent, to be followed by future generations of rawboned pioneers, pushing back the frontiers of a vast unsettled wilderness.
Thus far in life you have been given *security*—as an infant by your mother's care—later by the warmth of your father's home, your church, your school, your neighbors, and now the *security* of a good start on life's journey, gained from a liberal education, in creditable schools, in a free land.
Now as you are being graduated, standing on a threshold of a journey through life, the *security* granted you in the past becomes one you must earn and protect for yourself, your family, and fellow Americans. The scroll of American history records for us the courageous men who have given their lives to preserve this *security*, and the countless others who devoted their lives to develop a system of free enterprize, so you—their descendants—might have the right to seek and earn further *security*.
The industries in your community contribute immeasurably to this treasure of American *security*. Perhaps one day some of you may, by your endeavors and association with one of these industries, contribute to the greatness of American *security* for all.
